Hi ! I hope that you and the rest of the PRP group had a safe trip home yesterday.

I just wanted to take a few minutes to follow-up on our meeting yesterday.

As we get ready to get into the holiday period it is my intent that starting in January 2015 that we set-up a mutually agreeable schedule for negotiation of the AOC. It is my goal that we complete the negotiation of the AOC within 180 days or by no later than June 2015.

If the EPA Site Team can assist you in any way over the next few weeks and months please let me know.

Lastly, I would appreciate if Chad or you could provide me with a list of all the Attorneys, their email addresses and which PRP they represent that attended the meeting yesterday.

Thanks in advance for your cooperation,

Marvin Benton
